Re: *In re Application of AT&T Wireless f/k/a Cingular Wireless,*
09 Civ. 7072, related to *United States v. American Society of*
Composers, Authors & Publishers, 41 Civ. 1395

Dear Judge Cote:

We represent ASCAP in the above-referenced matter and are writing on behalf of ASCAP and AT&T Mobility LLC. On January 19, 2011, counsel for AT&T, with ASCAP's consent, advised the Court that the parties had "resolved all of the principal issues and [were] in the process of preparing final drafts of the agreements for signature," and asked for an extension of the date by which the parties would submit a stipulation of dismissal attaching the settlement agreements. In response, Your Honor granted the parties an extension until February 19 to complete the process. During the course of preparing final drafts of the agreements, a few disputed issues emerged, which the parties are diligently trying to work through but have not yet fully resolved. The parties therefore respectfully request an additional extension until March 7, 2011 to finalize the agreements and submit the stipulation of dismissal in this matter.

Granted.
